UNIVERSITÄT
BAYREUTH

Welcome to the University of Bayreuth!

Dear student,

Soon you will begin your study abroad programme in Germany. We are very pleased that you have chosen to study at the University of Bayreuth. We will provide a service for support and advices for a pleasant stay and succesful studies at our university.

Your port of call at the University of Bayreuth: The International Office

Our objective is to support you in becoming acquainted with Bayreuth, to answer any questions you might have, and to offer you a programme to accompany your studies. For more information regarding our work, please have a look at the homepage of the International Office under "Service for International Students" (SIS).

Before you arrive – What you need to know

We have prepared an information sheet to make your university registration as easy as possible. This sheet contains all the important information for the first days of the semester. You will find the "First Aid" PDF-file at the beginning of August on the SIS-Homepage.

Arrival and Orientation Week

The Arrival Week is between the 3rd and the 7th of October. During that time we offer a shuttle and a key service. Outside this period please contact your janitor, if you have rent a room in one of our residence halls.

The Orientation Week as a preparation for your studies in Bayreuth is between the 10th and the 14th of October. It is obligatory for all students.

Safe journey and we look forward to seeing you soon!

Best regards from the University of Bayreuth's International Office Team
