You have applied for a position at the University of Bayreuth. We will save your personal data collected during the application process for at least three months. In the event of an unsuccessful application or its withdrawal, we will permanently dispose of the data you submitted in the application no later than three months after notification of rejection. If you are also interested in being considered for future job vacancies, you can provide the University of Bayreuth with your consent for further data processing:

As part of my current application to the University of Bayreuth, I agree to allow the University of Bayreuth to continue processing (and especially to save) my personal data after the above-mentioned period for future vacancies at the University of Bayreuth.
